

We need to be sure of the arrangements that you have made if your child is attending an after-school commitment. The following information is required:

Child's name

Activity

Day involved

Time involved

Term/s involved

Is this activity off site? YES / NO

Is your child returning to After School Care? YES / NO

YES – what is the expected time of return?

Are they required to be collected from the activity? YES / NO

Contact person and telephone number in case child is meant to return but does not

IMPORTANT NOTE: Children must be marked off the After-School Care roll before attending any commitment.

- I give permission for my child/ren to attend the above After School Activity on the school grounds.
- I understand the coach, supervising person or manager of the After-School Activity has responsibility for ensuring the safety of and for fulfilling the duty of care to the child while they are attending the After-School Activity.
- The OSHC staff members' responsibility for the child commences when the child is signed into After School Care when the After-School Activity has finished.
