

DRESS CODE POLICY

We encourage all families to respect this dress code policy in relation to your child's attendance at our school.

We believe that a school Dress Code contributes to:

- Whole school unity and individual feelings of self-worth through such unity.
- The provision of a supportive school environment by reducing levels of competitive dressing.
- The realisation of social justice by relieving parents of pressure to purchase high cost brand name clothing for school wear.
- Positive visibility of Goodwood Primary School in the wider community.

Therefore we will support the wearing of school uniform and conformity with a dress code by:

- Positive staff and community support for school uniform and the dress code.
- Taking steps to eliminate dress based harassment.
- Inclusion of a range of non-brand named clothing in the dress code.
- Regular review of the dress code in consultation with students, parents/caregivers and staff.
- The yearly provision of an exclusive "class of...." garment for year 6 students.
- Should a conflict arise between students in relation to clothing a restorative justice process will occur.

Student **Dress Code** is the same for boys and girls and includes any navy blue and/or gold clothing, therefore the **Dress Code** includes the following in school colours: (no large brand names or logos on any) gold and navy.

School uniforms are sourced through Noone and can be purchased online or at the uniform shop on site.
